Set a Budget... I know, but it will help

Don't let money worries steal the sparkle from your romantic getaway! Setting a clear budget upfront keeps things fun and stress-free, so you can focus on making amazing memories together.

Create a Budget Breakdown

Split your total budget into these key areas to keep things easy:

- Transportation (flights, car rental)
- Accommodations (hotel, resort fees)
- Dining and drinks
- Activities and excursions
- Shopping and souvenirs

Think About All-Inclusive Fun

Choosing an all-inclusive resort or cruise is a great way to keep your budget happy and your mind at ease. You'll know exactly what you're spending, freeing you up to enjoy every delicious meal and exciting adventure without a care!

Don't Forget a Little Extra

It's always smart to add a 10-15% cushion to your budget for those delightful surprises, like a sunset cruise or a candlelit dinner. That will make your trip truly unforgettable.

Don't forget to add gratuities to your budget.

Breakdown	Costs	All-Inclusive Pricing
Transportation		
Accommodations		
Dining and Drinks		
Activities and Excursions		
Shopping and souvenirs		
Add a little extra (10-15%)		

Pick Your Destination & Experience

Now that you know what you want and what you can spend, it's time to pick the perfect destination that sparks joy for both of you! Here are some fun ideas inspired by your dream getaway:

Relaxing Getaway

Imagine cozying up at Sandals Resorts, with adults-only, all-inclusive vibes, sandy beaches, and special couple's perks. Or snuggle into a private villa in beautiful Bali or the Maldives for a dreamy, secluded escape with personal touches just for you.

Cruising

Set sail on an ocean or river for a romantic adventure on the water! Enjoy fancy dinners, couple's spa days, and your own private balcony with ever-changing views, all without the hassle of packing and unpacking.

Adventure & Culture

Fall in love while exploring enchanting European spots like Santorini, Paris, or Florence with their magical mix of romance and culture. Or combine thrilling adventures with tropical beauty in places like Costa Rica, Bora Bora, or Thailand for an unforgettable experience.

Keeping your choices to destinations that really match your dream getaway makes planning a breeze and way more exciting. Just remember, the best destination is the one that makes your hearts happy, not the one everyone else talks about!

Make a list of what you want most in your romantic getaway. Is it quiet, adventure, solitude, it is all up to you.
